DRESS AND GROOMING

The Governing Board believes that district employees serve as important role models both at school and in the community. As role models, it is important for staff to maintain professional standards of attire. The Board recognizes that attire for one work assignment may not be the same for all assignments.

The Board expects staff during school hours to wear clothing that demonstrates their high regard for education and presents an image consistent with their job responsibilities. Clothes that may be appropriate for shop instructors or physical education teachers may not be appropriate for classroom teachers.
